PRETTIEST BLUE (2:27)

**Music: Hans Platzgumer / Words: Hannah MacKenna
All instruments: Hans Platzgumer
Produced by hp at Son Montuno, 2016**

The prettiest blue
Ever and true
Waves
Sky
Petals
Me and You
Prettiest blue

And beyond
Just gone
Beyond the glue
Please just tell me what to do
The prettiest blue

How to get across this giant moat
Don't have the paddles
Don't have the boat
Total darkness forced down my throat
It's not my battle
But it wants my coat

Just beyond the prettiest blue
Total darkness
What can I do?

UNAIMED ARROW (2:20)

**Music: Hans Platzgumer / Words: Hannah MacKenna
All instruments: Hans Platzgumer
Produced by hp at Son Montuno, 2015**

The unaimed arrow never misses
Close your eyes and blow some kisses

And fly

With porcelain angels and silver birds
Away from torpedo misses
Above fleets and herds
You fly

Caught up in the undertow
Is there somewhere else you'd rather go?
From this out of flow and "I don't know"
To aiming that arrow with your bow

Sometimes when blackness fills the light
I wish I could turn off the night
And fly

With blown kisses
Silver birds
Porcelain angels
Above the fleets & herds

One more sunrise to be gazing
One more game to be playing
One more hell to be razing
One more loving cause I'm still aching

It ain't over yet as long as I'm aching
It ain't over yet

Ladies say ,Daddy you got wrinkles'
Youngsters give their seat on the subway train
Doctors check me out, tell me I'm fine
Then tell me to stay in line

But it ain't over yet as long as I'm aching
It ain't over yet

I'm too deaf to hear the warnings
Too blind for the danger signs
I keep walking on my own two feet
Ain't slipped yet on snow or sleet

It ain't over yet
The bees and birds and all the little creatures
Open their beaks, vibrate their wings, getting giddy in spring
It ain't over yet – I won't be left behind
As long as I'm aching it ain't over yet

One more morning still to be waking
One more night still to be shaking
One more trip to be making
Got one more loving cause I'm still aching

It ain't over yet
Got a song still to be creating
Melody in my head
It won't go away , I got one more to play
It ain't over yet as long as I hear that rhythm
As long as I'm aching it ain't over yet

Still have a swan song with a thousand verses
Still need time to embrace
The sea, the sky and birds with ferocious curses
No, it ain't over yet

Life is still so inviting
Being with you so enticing
It ain't over yet as long as I'm aching
It ain't over yet
